SCCLL Nominations Committee 2012/2013 Annual Report

Committee Members: Donna Bausch, Jessie Burchfield, Judy Meadows, and Rita Dermody, Board Liaison

Committee Charge: The Committee's assignment was to provide a slate of officer candidates for annual election, and to follow established timeline for announcing candidates and coordinating the ballot process. We were prepared to respond to solicitation from the AALL Nominations Committee for suggested SIS members with strong leadership qualities, and we did so when contacted.

Timeline: An initial email soliciting nominations and self-nominations was sent via email to the SIS membership on November 28, 2012, with a reminder three weeks later. January 7, 2013 was our deadline for receiving names. The Committee chose the following SCCLL members to be on the slate:

Vice-Chair/Chair-Elect (2013-14): Maryruth Storer, Orange County Public Law Library

Secretary/Treasurer (2013 -2016): Jennifer Murray, Maricopa County Law Library

Member-at-Large (2013-2016): James Durham, Maryland State Law Library

The candidates' background and personal statements were published in the Winter 2013 issue of the SCCLL Newsletter, as well as on the ballot that was distributed to the members. Photos of the candidates were included. All three nominees were elected, and there were no write-in names suggested. Although the Committee was disappointed that so few names were suggested from the membership, we were pleased that the three we selected were so willing to take a leadership role with the Section.

The Committee Chair appreciates the help of the other committee members and especially for the support of the Board Liaison.

Respectfully submitted,

Judy Meadows, 2012/2013 Nominations Committee Chair
