Charge:

Continue publication of content rich, electronic only, newsletter ("SCCLL News") three times a year.

Through efforts of the Newsletter Committee members, solicit and write newsworthy articles, event news, and stories for each issue according to themes. Highlight new roles and innovative "best practices" among membership libraries.

Report:

The newsletter committee published three regular issues of the *SCCLL News* this year (Fall, Winter/Spring, and Summer). The recurring feature from the last few years, "What we are doing in…," made an appearance this year. John Barden did an excellent job soliciting the articles and compiling them for the newsletter. We would like to continue this feature next year, as it provides insight into how member libraries are handling hot-topic issues and features projects that might provide inspiration for our readers.

We added a new recurring feature this year, a look back at 40 years of the SIS as seen through past newsletters. Barbara Fritschel did a wonderful job in coming up with the idea for the feature and finding interesting selections from past newsletters.

The committee as a whole did an excellent job this year. Kate Fitz, the SCCLL webmaster, was an enormous help in posting the newsletter to the SCCLL website. Very heartfelt thanks go out to everyone who contributed to the newsletter this year, and we hope next year's issues are just as informative and interesting for our fellow members.
