SCCLL Standards Committee Report

Joel Fishman, Chair, (Duquesne University Center for Legal Information/Allegheny County Law Library), Jacqueline Cantwell (New York County Surrogates Court), Georgia Chadwick (Law Library of Louisiana), Mary Jenkins (Hamilton County Law Library), Jacque Jurkins (Multnomah Law Library) comprised the 2011-2012 Bylaws Committee.

The committee was charged to review the Appellate Court Standards and the county standards as they relate to the Model Code Working Group. The committee reviewed the Appellate Court Standards that had been revised in 2009, but deferred confirmation of them until the Appellate Court Librarians group met at the Boston conference to review the standards and make their suggestions for review. It is anticipated that with their suggestions, the Appellate Court Standards can be approved during the year by an e-mail ballot. No further work was done on the county law library standards.

Respectfully submitted by,

Joel Fishman
Chair
