

**Dominican University Graduate School of Library & Information Science
Simultaneous Tours and Dine-Arounds
April 22, 2004**

Reconnect with old friends from Dominican Graduate School of Library and Information Science and celebrate National Library Week. Start the evening with a behind-the-scenes tour of a library given by an expert; then join fellow alumni and Dominican faculty for a Dutch Treat dinner at a nearby restaurant. Attend any one of three locations listed below. This is a fun, informal event ideal for those who want to catch up with fellow alums, discuss career options, discuss professionals issues, hear about what's new at your alma mater, and take advantage of a great local resource – your Dominican alumni network. It's also a great opportunity to learn more about the Dominican Alumni Council and its activities.
