

HALL MEETING ANNOUNCEMENT

Program: *HALL Annual Community Service Project*

This year, we will prepare and host dinner for the families at the Ronald McDonald House of Houston on Sunday, February 22. The Ronald McDonald House offers a home-away-from-home providing care, compassion and hope to families with seriously ill children being treated in Texas Medical Center member institutions. They offer a safe and loving environment to all families of children facing a life threatening condition, including those in need of an organ transplant or fighting cancer, at no cost to the families. It will be a fun and impactful project that will allow us to directly benefit families in the Houston area.
