Highlights of this presentation are:

- Learning more about the rich resources in the City Hall Library depository collection both historical and current.
- Discovering how you can use the City Hall Library for legal research.
- A glimpse of the vertical, biographical and street names files.
- Exploring the book and other materials in the City Hall Library's history and urban affairs collections.
- A demonstration of our Mandarin OPAC – the future automated catalogue.

**PRESENTERS:**

**Christine Bruzzese:** Supervising Librarian of the City Hall Library since 2001. Among her professional accomplishments are writing features for the City Hall Library Notes online newsletter, speaking about the library to various agencies and groups and managing an automated catalogue at the library of Coopers & Lybrand. Ms. Bruzzese is a member of the Nassau County Library Association and METRO Library Council's Government Documents Information Group.

Christine holds an M.L.S. and M.A. from Queens College.

**Paul Perkus:** Director of the City Hall Library since January 1998. Mr. Perkus established the institutional archive for the CUNY Graduate School and University Center and was Director of the City University Central Office Library and Archives.

Paul holds an M.L.S. from Queens College and is a Certified Archivist (Academy of Certified Archivists). Mr. Perkus is a New York Library Club board member.

**Harold Miller:** Technical Services Librarian since 2000, prior to that Mr. Miller held managerial positions in corporate special libraries.
