Is conducting patent research the most stressful part of your day? Do you want to learn how to do comprehensive research in this ever challenging field? Please join us as four of our colleagues share their patent research tips.

**PRESENTERS:**

**Lucy Curci-Gonzalez** has over 20 years of library experience. Prior to joining Kenyon & Kenyon LLP as Director of Library Services, she was the head librarian at Morgan & Finnegan LLP. Lucy earned her MS from Columbia University and is an active member of LLAGNY and the IP Group of AALL's Private Law Libraries Special Interest Section. She has also published articles and made numerous presentations on IP law research and law library management for LLAGNY, AALL, PLI and Legal Information Alert among others.

**Carol Hoffman** is a Legal Research Specialist at Ropes & Gray LLP (formerly Fish & Neave LLP) with 17 years experience in the IP Research Library, monitoring, searching, and organizing patent law decisions, conducting legal and non-legal searches, and checking the accuracy and format of law citations in memoranda. Previously she was a reference librarian and cataloger. Carol has a MS from Pratt Institute.

**Michael Hudelson** is a Director of Intellectual Property with LexisNexis. He holds Bachelor and Master's degrees from Indiana University and a J.D. degree from the University of California. He is a member of AIPLA and practiced law before joining LexisNexis in 1996.

**Melissa Vigilante** received her MLS from San Jose State University . She worked at the Federal Reserve Bank and Deloitte & Touche before joining Dialog. Melissa has been a trainer specializing in intellectual property research at Dialog since 1999.
