VENDOR DEMOS FOR THAT COMPETITIVE EDGE!

Do you want to know what your colleagues are using to find information on private equity? Mergers & acquisitions? Poison pills? Just to name a few. Come hear 3 of your colleagues discuss products that help them keep abreast of the latest news and developments.

PRESENTERS :

Tracy Hesse, Electronic Services Librarian at Fried, Frank, Harris, Shriver & Jacobson LLP, along with Eugene R. Souther, Senior Vice President, of CAPITAL IQ, will present **CAPITAL IQ**.

CAPITAL IQ is a web-based information platform used by over 1,200 leading financial institutions, corporations and advisory firms, including AmLaw 200 firms. It is a unique combination of deep information on companies, investment firms, people, advisory relationships and transactions, with robust functionality that will help you efficiently create custom reports and answer a broad range of information requests.

Tom Eikenbrod, Corporate Research Specialist at Shearman & Sterling, along with James Hannigan, Analyst at Bloomberg, will present **BLOOMBERG**.

Bloomberg is the leading global provider of data, news and analytics. The Bloomberg Terminal provides real-time and archived financial and market data, pricing, trading, news, and communications tools in a single integrated package to corporations, news organizations, financial and legal professionals around the world.

Bonnie Fox Schwartz, Head of Research at Weil Gotshal & Manges LP, along with Tom Quinn, Vice President of FactSet TrueCourse, will present **SharkRepellent.net** and **MergerMetrics.com**.

SharkRepellent is the definitive source for takeover defense intelligence. It provides the fastest way to accurately evaluate and compare a company's takeover defense protection and includes all the source documents. MergerMetrics.com is a new web-based tool specifically designed to meet the complex needs of M&A researchers. More than 90% of the content in MergerMetrics can not be found in any other M&A product.
