# Best Bets on the Internet

## Public Records Online

BRB Publications, Inc., Facts on Demand Press, is a good resource to begin a search for public record information. <http://www.brbpub.com/> . This website offers free internet access to federal and state government public record sites. For example, the link to Connecticut records, <http://www.brbpub.com/pubrecsitesSearch.asp?subcat=State%2C+County%2C+and+City+Sites&st=Connecticut>, provides access to a wide variety of state and local records, including incarceration and sex offender records, UCC and corporate records, unclaimed property records, and county/city property assessor records.

Additionally, Skipease, located at <http://www.skipease.com/>, provides links to state and local records. Virtual Gumshoe, located at <http://www.virtualgumshoe.com/> , provides access to free websites that offer searchable databases of public record information.
