**Dear Chair,**

I'm a member of AALL's Government Relations Committee assigned as Liaison to **Your Chapter's** Government Relations Committee. I tried to call you -- I'll try again, later -- but this is an e-mail just to introduce myself.

The thought here is to help continue a strong network of relationships. I'm very active in Chicago Association of Law Libraries (CALL) and develop business meeting handouts and other materials that might help you in your efforts. If you or your committee develop similar materials, I know they would help CALL and other chapters.

Maybe even more important, I know AALL and the Washington Office is always delighted to learn of local Government Relations activities and initiatives. I can back you up in getting your important work recognized. I regularly participate in AALL Government Relations Committee conference calls.

Hope to be in touch soon,

Richard Matthews
