

Erratum

The following error was discovered in the article “Marian Gould Gallagher’s Imprint on Law Librarianship—The Advantage of Casting Bread upon the Waters,” published in Volume 98, Number 2 (Spring 2006):

The final sentence in paragraph 3 on page 382 erroneously states that Marian Gallagher was “the only person to twice receive service awards from the American Association of Law Librarians.” The sentence should read: “She is one of two librarians, along with Elizabeth Finley, to twice receive service awards from the American Association of Law Librarians.”
