Tell AALL Members about Yourself

You can now provide additional information about yourself in your membership profile in the Members Only Section of AALLNET (www.aallnet.org/members). By creating a PDF document that is posted to your profile, you may list additional AALL activities not already included on your profile, non-AALL activities, or your resume. The only restriction is that your PDF document must be less than one MB in size.

Uploading a PDF document is easy:

1. Log into the Members Only Section.
2. In the "My Current Activities" box, click on "My Additional Information."
3. Browse for your PDF file, and then click "Upload."

Now, whenever a member views your profile and you have a PDF file uploaded, the profile will include a new link called "Additional Information."
