

Do You Have a Captivating View from Your Law Library?

Many law libraries have interesting or dramatic views of cityscapes, mountain ranges, or beautiful vistas. If your law library has a great view, this is your chance to share it with AALL.

In order to be publishable, pictures must be of relatively high quality. While we can work with a print, digital submissions are better. Digital submissions must be high-resolution (300 dpi). When scanning photos, set the scanner at high-resolution/print quality/300 dpi. When taking pictures with a digital camera, make sure that the camera is set to take the largest photo possible.

Depending on the number of submissions received, we will publish one or two photos in each issue of *Spectrum* and post them on AALLNET at www.aallnet.org/view/view_month.asp. Photos will be published on a first-come, first-served basis. Publication of a submitted photo is not guaranteed. If you have questions about submitting photos, please contact AALL Director of Publications Julia O'Donnell at jodonnell@aall.org.
