

ALL-SIS Student Services Committee
Report 2010-11

The ALL-SIS Student Services Committee had a very productive year.

1. AALL program approved – Developing and Using Patron Satisfaction Surveys. In conjunction with the program the committee collected surveys used by law libraries. A compiled “sample survey” was then created. The surveys are on the web page.
2. The committee held a 3-day listserv discussion on Marketing Your library Services to Students. The discussion feedback was posted to the web.
3. The committee updated its Sample Academic Student Services Documents. A request for links to LibGuides created by law libraries was sent to list. The compiled list was posted to the Student Services section of the ALL-SIS web page.
4. Solicited information on services provided by the library to student organizations. Information will be posted on the web page.
5. Solicited information on services provided by the library to LLM and SJD students. Information will be posted on the web page.
6. Solicited information on services provided by the library to clinical programs. Information will be posted on the web page.
