The State, Court and County Law Libraries Section is a special interest section of the American Association of Law Libraries which has as its purpose the improvement of the quality and services of its members' libraries and the promotion of the mutual interests of those libraries. A subscription to the NEWSLETTER costs non-members \$5.00 a year (2 issues: Fall & Spring). Previous issues of the NEWSLETTER were entitled SCLL NEWSLETTER v. 1-4.; a limited number of back issues are available at \$2.50 per copy.

Neither the AALL nor the State, Court and County Law Libraries assumes any responsibility for the statements or opinions of contributors to this NEWSLETTER.

CHAIRMAN'S PAGE

Although our Section's membership varies from year to year, as of September 28 we had 225 members, a 35% increase over last year. I think this shows a strong interest in the areas the Section was created to cover and is a healthy sign when you consider that some sections have dwindled and others have merged because of too few members.

Our Program Chair, Carol Meyer, is proceeding with plans for our Detroit meeting, which will be held on Saturday June 12. Margaret Leary, Program Chair for AALL, solicited proposals for programs in May of this year, and in early August had received 25 proposals for general programs, plus three workshops, including ours. As of this time Carol has developed a program which will cover two topics: Funding of Court Libraries - Getting More Financing for the '80s; and Computerization of Libraries to Serve Patrons' Needs - the Michigan State Law Library Experience. However, programs have a way of changing somewhat before they actually are presented, so there may be some changes before next June.

The names of members who submitted committee request forms were transmitted to the committee chairs in July, so if you have not heard from the chairs of the committees you listed, it probably means that more than enough names were received for those committees. Whether or not you are serving on a particular committee, you should feel free to communicate with the committee chair regarding any ideas you have for that committee's work. Of course, if you come up with a good idea that will entail some work, don't be surprised if the committee chair asks you to participate in that project.

I think we should all be thankful (I know I am) that Anita Shew has agreed to continue as editor of our Newsletter for this year. Her enthusiasm for the job and her fruitful work has been quite evident in the quality of this issue and those of last year.

Although it may seem a bit early to mention this, I don't believe it is too soon for you to think about the names of persons you would like to nominate for office next year and to send those names to the Chairman of the Nominating Committee, Edgar Bellefontaine.

Enjoy the Newsletter!

STATISTICS COMMITTEE REPORT

At the SCCLL meeting in Washington, the Committee on Statistics brought several copies of a computer printed survey for the section members to look over and make recommendations. Although the members liked this new method, there was much discussion about what should be added to the survey and how it will be produced.

In the past two months, the Committee chairperson has been in contact with James Werner, AALL Statistics Coordinator, and David Thomas (B.Y.U. Law Library). David has offered to let the section use BYU's computer to create a more in-depth survey similar to the one produced for the AALL law school survey. The Committee is now preparing a new single questionnaire for state, court, county and bar libraries. It will probably be distributed in the near future (December - January).

Committee members are:

Joel Fishman, Chairman
Margaret Axtmann
Muriel Hoppes
Anne Grande
