SCCLL SIS NEWSLETTER

American Association of Law Libraries

Volume 15

Number 3

Dear Colleague:

The enclosed survey should be completed and postmarked by June 9th, 1989.

In order for responses to be tabulated, the library Director must sign the survey. Any questions? Contact Pamela Gregory. Phone (301) 952-3438. Fax (301) 952-4465.

Please return the survey to Ruth Fraley, Box 2047, Albany, NY, 12220-0047. Ruth will tabulate the results and prepare the information for publication. If you send her a formatted disk, Ruth will provide the data in electronic form.

The results will be published in traditional form as well. All survey participants will be mailed a copy in the Fall and Law Library Journal will print the results in its Spring, 1990 issue.

Meaningful statistics require a broad base of information. As a final word, I ask that all SCCLL's be sure to participate in the survey. With your cooperation we will be able to provide each other with accurate data that can lead to valuable comparative analysis.

Very truly yours,

Pamela Jeffers Gregory
Chair, Survey Committee

Several of you have offered suggestions for the SCCLL/SIS program Sunday, June 18 in Reno. These suggestions have been incorporated into a two part program devoted to (a) Practical Experience in Automating Law Libraries and (b) Service to disabled Law Library Users.

The first part of the program will emphasize the practical experience gained and problems encountered by law librarians who have successfully automated all or part of their respective libraries.

The second part of the program devoted to service to disabled law library users will explore an area of service which is increasingly demanding of our attention, and which has been neglected by too many of us for too long. The program outlined, including speakers, is as follows:
