

Assignment 5  
International & Foreign Legal Research  
Fall 2002 (Due Nov. 26)

UNITED KINGDOM

1. Search in the ENFLEX Environmental Regulations for the United Kingdom on Lexis for a UK regulation addressing the problem of carbon dioxide emissions. What is the 2001 statutory instrument number that addresses this issue?
2. On what date was the above-referenced statutory instrument made?
3. On what date was the statutory instrument in Question 1 laid before Parliament?
4. On what date did the statutory instrument in Question 1 go into force?
5. What is the popular title of these regulations?
6. Search in the "UK Journals" file on Lexis for a 2000 article which appeared in the "Law Society's Gazette" on carbon dioxide emissions and the European Union. Note the full citation for the article below.
