

## **One Person Law Library Subcommittee – Annual Report**

AALL Private Law Libraries – SIS

July 7, 2006

This subcommittee of the *Private Law Libraries SIS* may yet be more active again. Last year the group met in San Antonio with about 10 AALL members. Some of the attendees are affiliated with government agencies, not just private or corporate libraries.

A real desire was expressed for information on directing the one-person library and supervising various aspects of the position. Janice Leichter (Maslon, Minneapolis), chair for the 2<sup>nd</sup> term, has contacted members to discuss creating a program for 2007 in New Orleans.

For those interested in the OPLL group there is a discussion list, the PLL-OPLL-List. Our business meeting is scheduled for Monday, at 5:15 pm, July 10, in Room 266 of America's Center.

Respectfully submitted,

Janice Leichter, Chair
