

Default Question Block

Welcome and thank you in advance for taking the 2012 HLS Library Student Survey.

This survey is made up of nine questions that will help the library improve its services to students. It should take you less than five minutes to complete. At the end, you will have the option to enter your email to allow the library to contact you in the future in order to take part in focus groups (lunch or gift cards are typically provided for your time).

Thanks again!
