

MON. 7/27 10:45AM — CS-SIS PROGRAM: MASHING UP THE WHITE HOUSE

2009 AALL ANNUAL MEETING AND CONFERENCE

Date/Time: Mon, Jul 27 10:45am - 11:45am

Location/Room: Renaissance-Room 2

Scott Frey will lead a Roundtable discussion that will focus on how libraries are using the technological initiatives by the Obama administration to enhance their web sites and improve the delivery of government information. As an added treat, Sunlight Foundation Policy Director John Wonderlich (<http://www.sunlightfoundation.com/people/jwonderlich>) will be joining the discussion to give his take on government transparency and the use of technology. You might want to review President Obama's Technology Issues page at <http://www.whitehouse.gov/issues/technology/> to learn more about how this Administration plans to improve government by using technology.

Moderator(s):

Scott Frey - Western State University College of Law

Speaker(s):

John Wonderlich - Sunlight Foundation
