

## 2007 – 2008 SCCLL STANDARDS COMMITTEE REPORT

The Standards committee for 2007 – 2008 consisted of the following members:

Joan Bellistri, Anne Arundel County Law Library

Anne Grande, Hennepin County Law Library

Jennifer Murray, Maricopa County Law Library

Larry Meyer (Chair) San Bernardino County Law Library

Catherine Lehman, Alaska State Law Library as our primary Board liaison

Our charge was to examine the current standards for county law libraries and to submit proposed changes as deemed appropriate by the committee. Based upon committee discussion proposed changes were submitted to the SCCLL Executive Board in mid-May. Following the Board comment period, the proposed revisions were sent out in mid-June on the SCCLL listserv for comment by section members.

As this report is being prepared, the membership comment period is still open. Any comments received will be shared with the Executive Board at their July 12<sup>th</sup> meeting in Portland, where it is expected that the committee recommendations will be acted upon.

Respectfully submitted by
