

2008 -2009 SCCLL Standards Committee Report

Members of the committee were:

Joan M. Bellistri (Chair), Anne Arundel County Public Law Library

Judy Ann Chalmers, Washoe County Law Library

Anne W. Grande, Hennepin County Law Library

Jacquelyn J. Jurkins, Multnomah Law Library

Robert Mead, New Mexico Supreme Court Law Library

Jennifer S. Murray, Maricopa County Superior Court

Betsy A. Vipperman, Appellate Division Law Library

The charge of the committee was to conduct careful review of the Standards for Appellate Court Libraries & State Law Libraries that were last updated in 2005. Revisions have been made to the appellate standards . When comparing the Appellate Standards with the County Standards the committee noticed that the Appellate Standards uses the term “library director” and the County Standards uses the term “head law librarian.” The committee suggested that the standards be consistent and that both be changed to use library director/head law librarian instead.

The final draft revision was forwarded to Marcus Hochstetler, SCCLL Chair so that it can be forwarded to the board for approval.
