

SCCLL Bylaws Committee Report 2006-2007

The 2007 Bylaws committee: Anne McDonald and Jacquelyn Jurkins, reviewed the Section's bylaws and made several revisions to Articles V, VII, IX and X.

Some proposed changes were made to more closely align with AALL bylaws; and others to enhance consistency and readability within the document.

The Secretary-Treasurer forwarded a redlined version of the Bylaws to the membership for review. The proposed changes will be presented for approval at the Section's 2007 Annual Meeting in New Orleans.
