

## 2015-16 GLL-SIS Bylaws Committee Report

Robyn Moltzen, Joel Fishman, and Jason Blevins comprised this year's GLL-SIS Bylaws Committee while Kelly Browne served and advised as the committee's executive board liaison.

The committee performed its meetings and functions via e-mail throughout the year. The committee began its work by reviewing the charges and instructions of the GLL executive board vis-à-vis the previous year's committee work. Because the committee did not use its budget last year, the executive board eliminated the committee budget this year.

Given the comprehensive changes made by the previous year's committee, designed to align the GLL bylaws with AALL requirements, this year's committee recommended no changes.

The committee expresses its thanks to Kelly for her assistance and guidance throughout the year. The chair recognizes, appreciates, and thanks Robyn and Joel for their efforts.

Respectfully submitted,

Jason Blevins, Chair  
Robyn Moltzen  
Joel Fishman
