### **Charge:**

Continue publication of content rich, electronic only, newsletter (“SCCLL News”) three times a year.

Through efforts of the Newsletter Committee members, solicit and write newsworthy articles, event news, and stories for each issue according to themes. Highlight new roles and innovative "best practices" among membership libraries.

### **Report:**

The newsletter committee published three regular issues of the *SCCLL News* this year (Fall, Winter/Spring, and Summer). We did not plan on an art theme being a recurring feature, but it just so happened that we’ve had a number of issues in the past few years that focus on art in law libraries, including the Fall 2014 issue. It will be interesting to see if art continues to be a popular article theme. Although calls for submissions on set topics are not always successful, we’d like to continue soliciting articles on set themes that may be of interest to the membership.

The committee as a whole did a wonderful job this year. Kate Fitz, the SCCLL webmaster, was an enormous help in posting the newsletter to the SCCLL website. Very heartfelt thanks go out to everyone who contributed to the newsletter this year, and we hope next year’s issues are just as informative and interesting for our fellow members.
