Charge:

Continue publication of content rich, electronic only, newsletter (“GLL News”) three times a year.

Through efforts of the Newsletter Committee members, solicit and write newsworthy articles, event news, and stories for each issue according to themes. Highlight new roles and innovative "best practices" among membership libraries.

Report:

The newsletter committee published three regular issues of the *GLL News* this year (Fall, Winter/Spring, and Summer). We had one themed issue that focused on technology and included articles on free tech tools, creating a new law library website, and creating a Facebook page for a law library. As sometimes happens, this themed issue was not planned, as planning for a themed issue hasn't always been successful.

The committee as a whole did a wonderful job this year. Mary Jo Lazun, the GLL webmaster, was an enormous help in posting the newsletter to the GLL website. Very heartfelt thanks go out to everyone who contributed to the newsletter this year, and we hope next year's issues are just as informative and interesting for our fellow members.
