Acknowledgments

The 2010 Grants Committee is grateful for the generous membership support of the Silent Auction, as well as for the hard work of the Silent Auction Committee, Barbara Fritschel, chair. This is Barbara's last year to run the Silent Auction so we owe her a huge thank you! It is through the Silent Auction and other member donations that SCCLL SIS is able to provide funds for the Equal Justice Conference and AALL Annual Meeting awards.

Gail Warren has volunteered to assume responsibility for the Silent Auction for the Boston meeting and for at least several meetings to follow.

The Grants Committee chair recognizes and appreciates the work of committee members throughout this past year. They are:
