

GOVERNMENT LAW LIBRARIES SPECIAL INTEREST SECTION  
Bylaws Committee  
2017-2018 Annual Report

The GLL-SIS Bylaws were last amended in April 2015 by online ballot, when the Section name was changed from State, Court and County Law Libraries SIS to Government Law Libraries SIS.

During this year, committee members compared the GLL-SIS Bylaws to the AALL Model SIS Bylaws. The committee reported to the GLL Executive Committee that the GLL Bylaws are substantially the same as the Model SIS Bylaws (some of the sections are in a different order, and our number of members required for a petition candidacy is higher, which is appropriate given the larger size of our SIS.)

Committee members this year were Sandy Brewer and Maryruth Storer, and the Board Liaison was Holly Gerber.

Respectfully submitted,

Maryruth Storer, Bylaws Committee Chair
