

GLL-SIS Best A2J Practices Committee 2019-2020 Report

Co-Chairs:

Miriam Childs

Heather Holmes

Members:

- Sara Galligan
- Sara Pic
- Lauren Morrison
- Liz Reppe – Board Liaison

Chair Miriam Childs attended each SRLN Law Librarians Working Group meeting during the year. She shared information about GLL's access to justice initiatives, such as the survey on partnership with public libraries distributed by committee member Sara Pic. The Committee identified topics for new Best Practices Guides: Pro Se appeals and training public librarians about legal information resources. However, there was no progress made towards drafting the guides. GLL-SIS has the funds to develop forthcoming guides should the incoming committee decide to pursue these or other topics. Chair Miriam Childs had hoped to attend the 2020 Equal Justice Conference in Atlanta, GA, but the coronavirus pandemic required the cancellation of all conferences.

Respectfully submitted,

Miriam Childs
