

GOVERNMENT LAW LIBRARIES SPECIAL INTEREST SECTION
Bylaws Committee
2019-2020 Annual Report

The GLL-SIS Bylaws were last amended in April 2015 by online ballot, when the Section name was changed from State, Court and County Law Libraries SIS to Government Law Libraries SIS.

Each year the committee compares the GLL Bylaws to the AALL Bylaws for consistency. Following this year's review, the committee reported to the GLL Executive Committee that the GLL Bylaws are consistent with the AALL Bylaws and no changes were recommended. We did find that the GLL Bylaws posted on our website had a duplication of a subsection and after reviewing historical records, we determined that the duplication was not included when our Bylaws were last amended, so the website version was corrected.

The Committee also advised GLL's officers on election procedures outlined in our Bylaws, and we updated the Committee's section of the GLL Handbook.

Committee members this year were Leslie Greenwood and Maryruth Storer, and the Board Liaison was Joan Bellistri.

Respectfully submitted,

Maryruth Storer, Bylaws Committee Chair
