

## **REPORT OF THE NOMINATIONS COMMITTEE**

**DATE:** June 19, 2020

**TO:** GLL Board

**FROM:** Nominations Committee Chair, Steven Anderson (transcribed by Jenny Silbiger)

**RE:** Report of the Nominations Committee

The Nominations Committee was comprised of Linda Corbelli; Lori-Ann Craig; James Gernert; and Victoria Williamson. Steve Anderson served as Committee Chair. The Committee solicited names from the membership for prospective candidates. Those elected included Miriam Childs, Law Library of Louisiana as Chair-Elect and Amy Small, Texas State Law Library as incoming Board Member.

Additionally the Committee clarified that the current bylaws, as examined by the Bylaws Committee, include a provision allowing members to nominate by petition, which gives members an option for choice, particularly if the Nominating Committee offers only a single candidate for any position (as has been done in some years past.) That flexibility can assist in member involvement. The SIS Bylaws were not changed. Thus the nominations cannot be sent before March 16th, and must be sent by April 1.
