In March of 2023, the AALL GLL Best Practices for Access to Justice Committee created a supplement to the AALL County Public Law Library Standards, which is available here: <https://www.aallnet.org/gllsis/wp-content/uploads/sites/9/2024/03/GLL-Supplement-to-County-Public-Law-Library-Standards-FINAL-03-24-2023.pdf> and is excellent work!

Our committee has made suggestions for some light changes to the standards, but nothing that would justify sending through to the AALL board to update. Next year, I suggest reviewing the new supplement, and suggesting edits to cross-reference it. Here is our activity for the past year:

- “Request comments from GLL-SIS members by email” We're supposed to do this per the GLL-SIS Handbook. I did this in December but did not receive any comments back.
- Here is a Google Doc for [County Public Law Library Standards](#), and for the [Appellate Court Libraries and State Law Libraries Standards](#) with our proposed edits from prior cycles (focusing on DEIA issues and updating print/electronic balance suggestions).

Respectfully submitted,

Jocelyn Stilwell-Tong, Chair
