REPORT OF THE GLL-SIS TECHNOLOGY COMMITTEE 2023-2024

Chair:

Jennifer González

Members:

Pauline Afuso

Angeline Reaux

Karen Westwood, Board Liaison

The Technology Committee has continued to work with Chris Siwa, AALL Director of Information Technology, to update the GLL-SIS website as needed.

This year the committee completed a 100% review of the website, including all pages, links, text, and images. We offered suggestions to the GLL Board for the April 17th meeting. With the Board's review and approval, all the general corrections and updates were made with the help of Chris Siwa. There were other pages identified by our committee as needing updates. The Board will work to determine the next steps for those items.

In addition, all routine work continued including updates to the newsletter, changes and updates on committee members, uploading annual reports, setting up forms for GLL grants and awards.

Respectfully submitted,
