The Newsletter Committee published three regular issues of GLL News this year (Fall, Winter/Spring, and Summer), with Tara Cunningham as editor.

Numerous GLL members offered material for publication, which resulted in issues covering a wide range of topics. Issues continued to include minutes of previous Board meetings, AALL announcements, Member News, and reports from various GLL committees, including regular updates from the Grants Committee and information about GLL award recipients from the Awards Committee. The Winter/Spring issue included information on GLL election candidates, and the summer issue shared information on GLL activities for the upcoming AALL annual conference. The editor continued to work with GLL Technology Committee and AALL staff to ensure timely posting of the newsletter to the GLL website.

Respectfully submitted,
