The Strategic Planning Committee and the GLL-SIS Board decided to extend the 2021-2024 Strategic Directions through 2026 to give the committee sufficient time to review, revise, and update the Strategic Directions as necessary. The committee and Board also decided to move back to a five-year planning cycle to allow the committee ample time to gather feedback, review, and make implementation recommendations for future strategic plans.

Respectfully submitted on behalf of the committee,
Amy Small
