

Rules of Sub Rosa:

- 1) You need 1 judge, 1 speaker, and everyone else in your group is a guesser.
- 2) The judge looks at the card and hands it to speaker. The judge times 2 minutes and then squeezes the Dalek if the speaker goes over time or uses one of the forbidden words on the card.
- 3) If people guess the word within the time, the speaker gets to keep the card. Speaker should try to get as many cards guessed as possible within the time limit.
- 4) When time is up, the speaker becomes the judge and the person to the speaker's left becomes the speaker.
