Diverse Interactions: Sample Exercises

Shamika Dalton

Associate Director for Public Services & Professor of Legal Research
University of Florida Levin College of Law
Legal Information Center
sdalton@law.ufl.edu

These four research exercises are based on actual events regarding diverse interactions in society. The purpose of the exercises is two fold: 1) to provide the students with an opportunity to practice legal research techniques and 2) to gain cultural competence so that they understand how our differences can be intertwined with a client's legal issue.
