This article provides an overview of programs that are sponsored by a new LRW Student Outreach Committee. Four to five events are provided each year. Most events draw between 75 to 100 students. Topics for events include Writing and Wellness, a Bluebook Workshop, Interviewing, Time Management, Summer Readiness, Oral Argument Tips, and a Judicial Roundtable on Professionalism. The author suggests limiting events to about two per term, making sure to invite a diverse group of speakers, and encouraging interaction.
