BOOK DRIVE ANNOUNCEMENT, INCLUDING THE ART BY ALETHEA JONES, HARVARD LAW SCHOOL LIBRARY

Artwork by Alethea Jones, Harvard Law School Library

As you're heading out this weekend for fun and fireworks, remember to get fired up for reading! Support the 2016 American Association of Law Libraries Children's Book Drive! This year's drive benefits Bernie's Book Bank, an organization that distributes children's books to **at-risk infants, toddlers and grade school children** throughout Chicagoland. **Bernie's Book Bank** aims to give little children a leg up by pouring quality children's books into at-risk homes that have been identified through schools and social service organizations, ensuring that children have access to books from infancy through grade school age, and that they start school "reading ready." Bernie's Book Bank sorts the books, ranging in reading level from **infant to 6th grade**, into bundles of 6 different age-appropriate books for each child, and delivers them directly into the hands of low-income children. Each child they serve receives a minimum of 12 books per year from Bernie's, theirs to keep at home forever.

How can you help Bernie's Book Bank provide books to children in need?

- Order a book online from the **Amazon wishlist** (or search for "AALL 2016" on Amazon under "Lists > Find a List or Registry.")
- Send checks, payable to American Association of Law Libraries, or online bookstore gift cards to the Annual Book Drive Chair:

Megan Von Behren
Senior Research Services Manager
Fried, Frank, Harris, Shriver & Jacobson LLP
One New York Plaza
New York, NY 10004

- Drop off books for **infants, toddlers, and grade school children**, online bookstore gift cards, checks, or cash in Chicago at the Member Services booth in the Exhibit Hall. (Please no text books, workbooks, coloring books, reference material, or adult or young adult books.)
- Drop off physical books only for **infants, toddlers, and grade school** children to the Book Drive drop-off box in Chicago at the Registration area near the Hospitality Booth. (Please no text books, workbooks, coloring books, reference material, or adult or young adult books.)

For more information regarding the book drive, please contact Megan Von Behren, megan.vonbehren@friedfrank.com. For information about the history of the annual book drive, see our article in **Spectrum!** And there'll be a hot time in the old town tonight!

TOILETRIES DRIVE

Toiletries by Alan Light, creative commons, available at <https://www.flickr.com/photos/alan-light/3715401460>.

The SR-SIS will be collecting soaps and toiletries again this year. Please plan on bringing any donations of unused soaps, shampoos, lotions, conditioner, etc., to the Activities Area Display Boards. We will be donating the toiletries to the Chicago Metropolitan Battered Women's Network. The organization has an advocacy agenda and also serves to coordinate the efforts of local domestic violence shelters. They are able to distribute the toiletries we collect to a number of local shelters!

MEMBER UPDATES

Jim Donovan: “I did have an article come out a couple weeks ago:

James M. Donovan, *Half-Baked: The Demand by For-Profit Businesses for Religious Exemptions from Selling to Same-Sex Couples*, 49 Loy. L.A. L. Rev. 39 (2016).

I don’t believe it’s in the services yet, but it can be accessed at the law review site: [http://digitalcommons.lmu.edu/llr/vol49/iss1/2/.](http://digitalcommons.lmu.edu/llr/vol49/iss1/2/)”

Jeff Bern: In June 2016, Jeff Berns joined the Executive Board of the Law Librarians’ Society of Washington, D.C.—a local chapter of AALL—on which he will serve as Membership Chair. He and his husband are enjoying the new home they had built in Maryland, just outside Washington; they moved in January. Jeff remains Librarian at Spiegel & McDiarmid LLP.

Marilyn Nicely: “My news is my retirement July 1, 2015. Almost one year now. It has gone by fast and been a good year. Will not be at AALL this year.”

Richard Jost: Richard has agreed to be the Interim Director of the University of Washington Law Librarianship Program for the coming year as Jonathan settles into his new role. Richard, a law librarian for over 31 years (24 years at Gallagher) has been a teacher in the Law Librarianship Program for the iSchool and has mentored dozens of students in the program over the years. Reporting to Jonathan Franklin who is the newly appointed Associate Dean and Gallagher Law Library Director, Richard will be responsible for all aspects of the Program including admissions, teaching the Current Issues and Technology classes, managing the Directed Fieldwork placements, hosting the Alumni reunion at AALL, leading the new student orientation, serving as the faculty advisor to students, coordinating the Borgeson Award, and working with Penny Hazelton and Jonathan Franklin to transition the program duties and responsibilities.

AJ Blechner: AJ recently joined the Harvard Law Library as Research Librarian and Library Instruction Coordinator, and looks forward to serving as Chair of the Standing Committee on Disability Issues this year.

David Holt: “I have news! I started a new job as the Branch Librarian for the San Jose federal courthouse. I’m technically an employee of the Ninth Circuit as library services are centralized throughout the circuit. I was at Santa Clara for nearly 12 years so this was a big transition for me. I’m really excited to be working in the federal courts. I won’t be attending AALL this year because of scheduling conflicts but I hope to see everyone in Austin next year. In other news, Dana Neacșu and I were selected as editors for the upcoming edition of the LGBT bibliography. We’re both delighted (and a little nervous) about this project and will be reaching out to colleagues for contributions soon.”

SR-SIS STANDING COMMITTEE ON LESBIAN AND GAY ISSUES NAME DISCUSSION

In the fall, the SR-SIS membership will be voting on whether to change the name of the Standing Committee on Lesbian and Gay Issues. After a few years of informal discussion, the Standing Committee on Lesbian and Gay Issues, with the support of the SR-SIS Executive Board, is considering a name change. There have been widespread legal and social developments in the LGBTQI community since the last time the name change was considered and rejected, which was 10 years ago.

Please join a new My Community dedicated specifically to discussion of a possible name change. The dedicated community is open to all members of AALL. My hope is that we can continue this discussion online and in-person in Chicago, with an online vote on the name change by the full SR-SIS this fall.
