

AALL Technical Services Special Interest Section Member at Large Report, 2014-15

The 2014-15 year was my second of two years in the role of TS-SIS Member at Large. During this past year, I have been involved in the duties assigned to the second-year Member at Large.

During the spring months, I worked with the designated representatives of OBS-SIS, RIPS-SIS, and CS-SIS to plan the Joint Reception of the TS/OBS/RIPS/CS Special Interest Sections at the AALL Annual Meeting in Philadelphia. As in past years, we have been very fortunate to have received significant funding from Innovative Interfaces to pay for the costs associated with this event. This year, the event details are as follows:

WHERE: Marriott-Grand Ballroom Salon CD

WHEN: Saturday, July 18, 2015 from 7pm to 9pm

WHAT: Desserts and Drinks (Cash Bar)

Respectfully submitted by Eric Parker, June 19, 2015.
