Vice-Chair/Chair-Elect Report, 2014-2015

Membership Volunteer Survey:

The annual membership volunteer survey was conducted in February and concluded with 49 responses. While response rate was low (less than 10% of the membership) the comments were very rich and helped greatly in the appointment process.

Committee Chair Appointments:

From the membership survey, nominations from members, and discussions with current chairs, I was able to find volunteers for all open committee positions. Below is a full list of Committee chairs for the upcoming year. Committee chairs are currently working on contacting current committee members to see if they wish to continue their participation. Volunteer information from the survey was distributed to both current and incoming chairs in anticipation of the new SIS year.
