

**AALL Technical Services Special Interest Section  
Vice Chair/Chair-Elect Annual Report, 2017-18**

During 2017-18 term, I attended all of the TS-SIS Executive Board Meetings, the TS-SIS Business Meeting, and conferred with the Chair and Board members concerning issues and planning. I attended SIS Chair Training and the SIS Council Meeting on July 15, 2017 at AALL in Austin, TX and met with AALL Liaisons to DC:CC, MARC Advisory, Subject Heading on July 17, 2017 at AALL in Austin, TX.

I failed to create and distribute the Biennial Membership Survey in 2018. My hope is that the Biennial Survey can be revised to reflect the TS structural changes that have been made and members surveyed in the coming year.

I completed the required TS appointments and confirmed the continuing commitment of those in multiyear positions. I have worked with Jackie Magagnosc, the Incoming Chair of OBS, to identify members to serve as AALL Representatives to the three ALA cataloging related committees, but those appointments have not yet been finalized at the time of this report.
