Member-at-Large Report  
2019/2020

I attended the called Executive Board meetings held during the academic year. When AALL canceled the in-person Annual Meeting in New Orleans, I attended the planning meeting for the TS-SIS and OBS-SIS Virtual Summit. Unfortunately, the fundraising campaign for the Marla Schwartz Grant did not occur as mandated but I will work with the incoming Member-at-Large to support her work with this fundraiser.

Respectfully submitted—
