

Member at Large (2nd year) report
2019-2020

It has been an unusual year, to be sure, so many duties of the 2nd year MAL fell by the way.

I did assist the Vice-Chair/Chair Elect in her job of writing the annual membership survey.

I also assisted in putting together the Virtual TS Summit, to put all our meetings and section programs online since we were unable to meet in person in New Orleans.
