Federal Law Librarians Caucus

Annual Report 2013-2014

Chair: Jennifer L. McMahan, Deputy Director, Library Staff, US Department of Justice

In addition to communicating throughout the year via the Caucus listserv, the group met at the AALL Annual Meeting in San Antonio on July 13th. Twenty members were present, from Department of Justice, Federal Reserve, Law Library of Congress, Social Security Administration, House of Representatives, Supreme Court, and various other Federal courts. Our discussion topic was “Showing Your Value.” We shared information and ideas on how we show the value of our libraries to our organizations, including statistics gathering, reports, and Web initiatives.
