In the past year, AALLc has successfully accomplished a number of important projects. The Membership & Mentoring Committee updated the member publications list and made proactive efforts to recruit new members. The Nomination Committee nominated Jingwei Zhang to be the candidate for the Chair/Vice Chair of 2016-2017, who was then unanimously elected for the position at the annual Business luncheon meeting. Many members of AALLc submitted proposals to the 2016 AALL Annual Conference in Chicago and 16 members presented on 15 different topics at the Annual Conference. In addition, the Program Committee successfully organized a program on Asian Law Librarianship at the Conference. The Communications & Publicity Committee updated the website, and maintained the popular “Member of the Month” column featuring one AALLc member per month. The Bylaws Committee continued to make sure all Caucus activities are in compliance with the Bylaws.

The Caucus held a business meeting and hosted a program at the Annual Conference in Chicago. Both meeting and the program were well received. The Caucus also participated in the CONELL marketplace and displayed a poster promoting the mission, activities and members of AALLc at the Conference.

The Chair of the AALLc for 2016-2017 is Avery Le of the University of Florida Law Library.
