The Indexing of Periodical Literature Committee during 2015-2016 were Kincaid C. Brown, Chair; John Schroeder, Vice Chair; Vincente E. Garces, Angela Hackstadt, Kimberli Morris Kelmor, Susanna M. Leers, and George Tsiakos. Donna Nixon served as Board Liaison and Ashley St. John, Heather Haemker, and Cara Schillinger as Staff Liaisons.

The main activity of the Committee involved identifying publications for possible inclusion in LegalTrac/LRI/Current Law Index and voting on whether they should be added. The Committee reviewed all of the websites of ABA-approved law school ranked 31 or higher by US News & World Report (law schools 1-30 were reviewed in 2014-15) for new journals. The Committee also examined the websites of the American Bar Association and the following privately publishers to identify new publications: Brill, Cambridge, DeGruyter, Oxford, and Taylor & Francis. The committee approved seventy-seven publications and nine were rejected. Another nine publications were under active consideration by the committee at the end of the year. The committee either did not have a consensus as to these titles or additional information was needed to make a decision. These publications will be reconsidered by the committee during 2016-2017. The Chair also worked with Christopher Siwa to update the title lists on the Committee website as they had not been updated in many years.
