AMERICAN ASSOCIATION OF LAW LIBRARIES
POSITION DESCRIPTION

TREASURER

The Treasurer is the primary steward of the Association's financial resources. As the Association’s steward, it is the Treasurer’s responsibility to see that the Association’s finances are well managed and expended in conformance with the Association’s financial policies and standard accounting procedures. The Treasurer is also responsible for ensuring that the Association’s financial reports are fully available to all AALL members. It is his/her job to ensure that each member of the Board fully understands the Association’s financial structure and the financial implications of any and all decisions made by the Board.

Serving on a not-for-profit board is a commitment that obligates the board member to a number of mandated legal responsibilities. Every Board member should understand and abide by these responsibilities. At each fall Executive Board meeting, AALL legal counsel meets with the board to review these responsibilities.

The specific activities outlined below are in addition to assuming the duties and responsibilities of all Board members, which include preparing for and attending all Board meetings, making chapter visits, serving as committee liaisons, attending Board events at the Annual Meeting, and generally participating in Association governance activities. See the position description for Executive Board members for additional details.

At the February meeting the Committee meets with the auditor and the investment portfolio manager. In addition, the Committee reviews the financial reports of the previous fiscal year, and the first quarter of the current fiscal year, and considers requests for funding for the next fiscal year from Association entities. The Committee reviews and
amends if necessary, the previous year’s budget guidelines for Board approval. The approved guidelines are used by staff to develop the following fiscal year’s budget. Once that budget is developed the Treasurer presents it via conference call (usually in June) to the Committee which then votes to recommend the budget to the Board.
