

VOTING RESULTS FOR AALL RESOLUTION PROCLAIMING THAT BLACK LIVES MATTER, CALLING FOR A DIVERSE, EQUAL & INCLUSIVE AALL AND LEGAL INFORMATION PROFESSION

We are excited to share that members voted in favor of the [AALL Resolution](#), which recognizes Black Lives Matter. As you may recall, an [eBriefing](#) was sent out to AALL members on May 17 that included information on the resolution as well as information for voting. Voting closed yesterday, May 27. A total of 337 AALL members voted, with 96% voting in favor of the resolution. Hence the resolution has passed.

This Resolution further reinforces AALL's commitment to Diversity, Equity, and Inclusion. We thank the BLL-SIS members in addition to the proposers for working together on this very important issue. Thank you to everyone who voted.

Please email AALL at leadership@aall.org if you have any questions or would like additional information.

Sincerely,

Emily R. Florio
AALL President
